

Congratulations!

Each Year we choose 20 volunteers that went above and beyond expectations. This year's recipients received their awards on September 28th at City Hall. A big THANK YOU to all of them and we hope they join again us for the 2012 Festival...
Let's break more records together!!

We are starting to gear up for the 2012 Festival. We meet monthly now and some of our committees are already hard at work. Most of our committees don't commence to meet on a regular basis until the new year, so if you're interested in joining a committee, please let us know by emailing your request to volunteers@soundofmusic.ca

Currently the Communications Committee is looking for at least 6 new members with any of the following:

- 2 committee members to head-up the Welcome Centres
- Experience in Marketing
- Experience in written communications
- Experience in Graphic Arts
- Experience in Print and Design
- Experience in Social Media

If you are qualified and interested in helping out on the Communications Committee please let us know at volunteers@soundofmusic.ca
